

and wherever they need it most. A true champion for Soldier's and their Families, his efforts have proven to be exponential and his example unwavering.

Lieutenant General Phillips earned his commission as a Field Artillery Officer in the United States Army from Middle Tennessee State University and was commissioned a Second Lieutenant on the first of July, 1976. Excelling in a multitude of positions spanning from Army aviator to defense procurement and contracting expert, Lieutenant General Phillips has performed at an elite level in business, academia, and combat. He humbly served with great pride as a warrior and scholar.

Lieutenant General Phillips' assignments have been some of the most challenging and diverse his profession has to offer. He served impeccably in positions to include but not limited to: the Commanding General, Joint Contracting Command-Iraq/Afghanistan in Baghdad, Iraq, the Commanding General of Picatinny Arsenal in the great State of New Jersey, as well as the Program Executive Officer for Army Ammunition, and the Deputy Program Executive Officer for Army Aviation.

Mr. Speaker it is my honor to recognize the selfless service of Lieutenant General William "Bill" N. Phillips as he proceeds into the next chapter of his life. Bill is leaving a legacy that will be remembered for the years to come. On behalf of a grateful Nation, I join my colleagues today in recognizing and commending Lieutenant General William N. Phillips for almost four decades of tremendous Service to his Country in the United States Army. I wish Bill and his loving and dedicated wife Marilyn Phillips, the very best as they begin their new journey that is sure to be filled with continued success and adventure.

SAVE AMERICAN WORKERS ACT OF 2014

SPEECH OF

HON. GENE GREEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 2, 2014

Mr. GENE GREEN of Texas. Mr. Speaker, I rise today to express my opposition to H.R. 2575, the Save American Workers Act. This bill is not only our 52nd repeal vote and another effort to undermine the Affordable Care Act, it actually worsens the problem it purports to fix.

Raising the threshold for full-time employees from 30 hours per week to 40 hours will result in lost work hours for 6.5 million people and essentially eviscerate the employer responsibility requirement.

According to the Congressional Budget Office and Joint Committee on Taxation, H.R. 2575 will cause a million people to lose their employer-based health insurance coverage, increase the number of uninsured Americans by 500,000, and add \$74 billion to the deficit over 10 years.

This bill will make a shift towards part-time employment much more likely, not less so.

I urge my colleagues to protect American workers and vote against H.R. 2575.

HONORING CAPTAIN MARK E.
CEDRUN

HON. HENRY A. WAXMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 3, 2014

Mr. WAXMAN. Mr. Speaker, I would like to recognize Captain Mark E. Cedrun as he retires from the United States Navy after 31 remarkable years of service.

In 1979 as a young constituent of California's 24th Congressional District, then high school senior Mark Cedrun came to me seeking a nomination to the United States Naval Academy in Annapolis, Maryland. I was thoroughly impressed with Mark's intellect, maturity, and enthusiasm. He stood out among an extremely competitive candidate pool. I was delighted to grant Mark the nomination. At that time, Mark was accepted to the United States Military Academy Preparatory School in Ft. Monmouth, New Jersey. After one year, I was honored to once again nominate Mark for the Naval Academy in Annapolis where he was ultimately commissioned as an ensign in 1984.

Mark went on to have an exemplary naval career, serving multiple sea assignments. He was deployed to the Arabian Gulf in early 2003 in support of Operations Enduring and Iraqi Freedom and most recently served as the Assistant Chief of Staff for Commander, Naval Surface Forces, U.S. Pacific Fleet. Throughout his long career Mark has received numerous awards, including the Defense Superior Service Medal, the Legion of Merit, the Bronze Star Medal, the Meritorious Service Medal, the Navy Marine Corps Commendation Medal, and the Navy and Marine Corps Achievement Medal.

I am honored to have played a small part in such an impressive and honorable naval career. I ask my colleagues to join me in celebrating the remarkable accomplishments of Captain Mark Cedrun and wishing him all the best for the future.

IN RECOGNITION OF THE ALEX G.
SPANOS HEART AND VASCULAR
CENTER AT MERCY GENERAL
HOSPITAL

HON. DORIS O. MATSUI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 3, 2014

Ms. MATSUI. Mr. Speaker, I rise today in recognition of the opening of the Alex G. Spanos Heart and Vascular Center at Mercy General Hospital in Sacramento. The Alex G. Spanos Heart and Vascular Center builds upon the foundation of excellence that has made Mercy General Hospital a proven leader in cardiovascular care. I ask my colleagues to join me in honoring Mercy Hospital's Alex G. Spanos Heart and Vascular Center and all who have made the Center a reality, as they commemorate this important milestone.

Mercy General Hospital is home to the highest-volume heart surgery program in California, and the Alex G. Spanos Heart and Vascular Center was created to help meet the needs of those with cardiovascular diseases. This center will grant patients access to a state-of-the-art diagnostic cardiopulmonary

care area, a cardiac and pulmonary rehabilitation center, and four cardiac surgery operating rooms, including an innovative hybrid operating room. The new facility will be of great value to the entire Northern California region, with its cutting edge technology and highly advanced procedures.

With the renovations and additions, the Center will now allow for more rooms to be available for both scheduled and emergency cardiovascular procedures. This allows patients to have access to world class technology, and an integrated care model, creating greater efficiencies and a continuum of care. I am confident that the Center's impact will be felt across California and not just in Sacramento.

Mr. Speaker, as the Spanos family, who made this Center possible, Mercy General staff and community supporters gather for the blessing of this building, I ask my colleagues to join me in wishing them the best of luck moving forward.

RECOGNIZING PARKLAND HEALTH
AND HOSPITAL SYSTEM'S
STROKE PROGRAM

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 3, 2014

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I rise today to recognize Parkland Health and Hospital System's stroke program. Parkland recently received the Get With The Guidelines-Stroke Gold-Plus Achievement Award and the Target: Stroke Honor Roll for its implementation of quality improvements laid out by the American Heart Association/American Stroke Association.

Parkland is Dallas County's public hospital and serves as one of the area's three Level 1 Trauma Centers and the primary care center for the county. Parkland is also one of the largest providers of uncompensated care in Texas. However, Parkland's dedication to community health programs remains unwavering.

Parkland's commitment to improving stroke care means that patients receive personalized care based on clinical guidelines. The American Heart Association/American Stroke Association note that hospitals that follow the Get With The Guidelines-Stroke see a reduction in length of stay and readmission rates for stroke patients, ultimately reducing disparity gaps in care.

Landing on the Target: Stroke Honor Roll demonstrates Parkland's commitment to reducing the time between hospital arrival and treatment. People who suffer a stroke and receive the clot-buster tPA, the only approved drug to treat ischemic stroke, within three hours may recover more quickly and are less likely to suffer from a stroke-related disability.

Parkland Health and Hospital System has worked diligently to implement guidelines from the American Heart Association/American Stroke Association. On average, someone suffers a stroke every 40 seconds. I encourage hospitals nationwide to use these internationally respected clinical guidelines. It is imperative that we use the medications and risk-reduction therapies aimed at the reduction of death and disability in stroke patients. I urge

my colleagues to support the hospitals in each district in this country by helping stroke patients and spreading awareness about stroke risk factors and treatment.

WADSWORTH CONTROL SYSTEMS

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 3, 2014

Mr. PERLMUTTER. Mr. Speaker, I rise today to recognize and applaud Wadsworth Control Systems for being honored with the Business Recognition Award given by the Jefferson County Economic Development Corporation.

The Business Recognition Award is given to a Jefferson County company which shows growth in employment, sales and capital investment in the last year.

Wadsworth Control Systems is a family owned and operated company and is one of the oldest and reliable environmental control companies in North America. The company manufactures climate controls, energy curtains and vent automation for greenhouses around the world. Wadsworth Control Systems is constantly innovating to produce the best product for their customers.

I extend my deepest congratulations to Wadsworth Control Systems for being honored with the Business Recognition Award from the Jefferson County Economic Development Corporation. I thank you for your commitment to high standards, innovation and quality products.

TRIBUTE TO TONY COLLINS

HON. TOM LATHAM

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 3, 2014

Mr. LATHAM. Mr. Speaker, I rise today to recognize and honor Clive Assistant Fire Chief Tony Collins of Dallas Center, Iowa, for his lifesaving efforts on March 14, 2014.

Don Reese, an 83-year-old Pomeroy resident, was enjoying a Friday night with his daughter-in-law at a Waukeke establishment when tragedy struck. Near midnight, Don fell to the ground unconscious after experiencing a severe heart attack caused by complete blockage in two major arteries. As the bar patrons' mood shifted from relaxed to panic, it was Mr. Tony Collins, at the bar celebrating his 53rd birthday, who took the situation into his own hands.

Mr. Collins immediately began mouth-to-mouth resuscitation while directing four other customers to check for vital signs and perform chest compressions. For nearly fifteen minutes, Tony and his team continued to work on resuscitating Mr. Reese with no signs of hope. Finally, Don regained his pulse and began breathing again, ultimately conscious and alert by the time the ambulance arrived. There is no doubt that Tony's quick thinking and heroic actions saved Mr. Reese's life that night.

Mr. Speaker, Assistant Fire Chief Collins' instinct and brave actions to save a fellow Iowan's life embody the selfless attributes we all should strive for. His extraordinary re-

sponse to this life-threatening situation should give us all pause as we offer gratitude to our local heroes. It is a great honor to represent Tony in the United States Congress, and I invite my colleagues in the House to join me in congratulating and thanking him for his outstanding performance and commitment when it truly mattered most.

SAVE AMERICAN WORKERS ACT OF 2014

SPEECH OF

HON. JOHN D. DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 2, 2014

Mr. DINGELL. Mr. Speaker, I rise in opposition to H.R. 2575, the so-called Save American Workers Act. This is yet another attempt to chip away at the Affordable Care Act and it should be rejected. Just this week we saw 7.1 million people enroll in a health plan through the marketplaces, which met the goal set by the Obama Administration. For many people, this is the first time they have had access to quality, affordable health insurance. We should be building on the successes of the law, rather than working to turn back the clock.

There is much misinformation regarding the responsibilities of employers under the ACA. The law requires most employers to offer health insurance to employees who work more than 30 hours a week, and they must pay a penalty if one of these workers gets a subsidy through the marketplace. The threshold was set at this level because a large share of companies employ their workers for much more than 30 hours a week, and they would have to significantly restructure their business model and drastically reduce their hours to avoid their responsibility under the law. According to the Center on Budget and Policy Priorities, eight percent of employees work between 30 and 34 hours per week, but 43 percent of employees work 40 hours per week. Therefore, CBPP concludes that five times as many workers are at risk of having their hours cut if this legislation was signed into law.

The Congressional Budget Office projects H.R. 2575 would reduce the number of people receiving employer based coverage by 1 million, and would increase the number of uninsured by 500,000. This would be a drastic step backward from the progress we have seen enrolling millions of Americans in health coverage. Another claim made by my friends on the other side of the aisle is that this provision of ACA is leading to an increase in part-time work, when nothing is further from the truth. In fact, CBO concluded in February that "there is no compelling evidence that part-time employment has increased as a result of ACA."

This bill would cause more problems than it purports to solve. I urge my colleagues to vote down this misguided legislation.

RECOGNIZING INDIANA LEGISLATORS: SENATORS ALLEN PAUL AND JOHNNY NUGENT

HON. LUKE MESSER

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 3, 2014

Mr. MESSER. Mr. Speaker, I rise today to recognize the careers of two extraordinary Indiana legislators: Senators Allen Paul and Johnny Nugent. These two friends have served the state of Indiana for decades, and I want to personally thank them for all of their hard work and recognize them for their many accomplishments.

Let me tell you a little bit about Senator Allen Paul. Allen volunteered for the U.S. army in 1967 and is a decorated Vietnam Veteran. He was awarded the Bronze Star for saving a man's life and also earned a Combat Infantry Badge and four Air Medals. After being honorably discharged from the Army, Allen was elected to the State Senate in 1986 where he was a tireless advocate for military members and their families. He passed important legislation to help veterans receive a college degree and supported legislation to offer in-state tuition for veterans.

Senator Paul has the distinction of being the first legislator from Eastern Indiana to serve in a leadership position within the caucus. During his 28 year tenure in the Senate, He served as Majority Whip, Chairman of the Insurance Committee and Chair of the Financial Institutions Committee. His political savvy and institutional knowledge will certainly be missed by his colleagues in the State Legislature.

Senator Paul's dear friend Senator Johnny Nugent has also decided to retire after more than 30 years in office. He too is a veteran of the U.S. Army and Army Reserve. At the age of 26, Johnny was elected Dearborn County Commissioner—the youngest commissioner ever elected in Indiana. As a State Senator, Johnny held numerous leadership positions including Majority Floor Leader, Chair of the Agriculture and Small Business committee and ranking member of the Insurance and Financial Institutions Committee.

Senator Nugent has been a tireless defender of the 2nd Amendment and served two terms on the NRA's Board of Directors. The only individual in Indiana to serve on the board. During his tenure in the Senate, he successfully sponsored Indiana's "Castle Doctrine," as well as the nation's first lifetime concealed carry permit. Senator Nugent is also known for his involvement in his local community. He is a member of the Dearborn County Chamber of Commerce and the Southeastern Indiana Shrine Club. He is a successful small business owner and ran Nugent Tractor sales of Lawrenceburg for decades.

Both Allen Paul and Johnny Nugent serve as shining examples of what it means to be a public servant. I ask the entire 6th Congressional district to join me in recognizing these two outstanding Hoosier legislators. I have no doubt these great men will bring the same commitment, dedication, and enthusiasm they had for serving their constituents and their communities to the next chapter of their lives.
